

2019 ARMA-CUPB GEOTHERMAL INTERNATIONAL CONFERENCE

From hydrothermal to enhanced geothermal systems:
Technology sharing with the oil and gas industry

Call for Abstract

The 2019 ARMA-CUPB International Conference, from hydrothermal to enhanced geothermal systems: technology sharing with the oil and gas industry, will be held on August 5-8, 2019 at the Jiu Hua Hotel, Changping, Beijing, China.

Hosted by the China University of Petroleum - Beijing, the meeting aims to promote technology sharing between petroleum and geothermal industries. It covers a wide range of theoretical, technological, and industrial advancements in hydrothermal systems, enhanced/engineered geothermal systems (EGS), and oil & gas exploitations of unconventional and deep reservoirs.

The abstract is limited to one page in PDF file format. It should include a brief introduction of work performed, methodology, and results. Figures may be included as necessary. All abstracts and papers will be peer-reviewed. Accepted papers will be published in the conference proceedings and OnePetro. A template is attached.

Abstracts (in **English**) can be submitted to arma-cupb@cup.edu.cn.

Deadlines for abstract and paper submittal:

April 22nd, 2019, Deadline for abstract

May 7th, Abstract decision notification (acceptance/rejection)

June 15th, Deadline for full paper

June 30th, Full paper notification to authors (acceptance/revision/rejection)

Scientific topics:

Hydrothermal Systems

Enhanced/Engineered Geothermal Systems

Geology and Geophysics

Drilling and Completion

Hydraulic Fracturing

Induced Seismicity

Reservoir Simulation and Reservoir Engineering

Heat Pump

Heat Storage

Power Generation and Management

Geothermal Project Management

Case Studies
